

KILIA GmbH · Christianstraße 160-164 · 24536 Neumünster · Germany

Sales Engineer (m/f)

We are a medium-sized, export orientated German manufacturer of machines for the food industry. To further expand our market position and to comply with our good order situation, we are looking for a fellow employee (m/f) in sales / project development (national / international) of machines for food processing (focus on meat processing industry)

Duties and responsibilities: sales and project development (national / international) / responsibility for the assigned sales area(s) national and/or international / support of our agencies / development of new markets and sales regions

Profile: technical and/or commercial formation / preferably experience in the sales of machinery / at least good knowledge in English in spoken and written / at least good knowledge in Spanish and/or Portuguese in spoken and written / good communicational and acquisition skills / pronounced customer orientation / readiness for high effort and commitment as guarantor for customer satisfaction. Applicants should feel spoken to, if they have a distinctive personality, can work self-contained and proof to have good persuasive powers with customers.

Please send your complete application documents to Company KILIA Fleischerei- und Spezial-Maschinen-Fabrik GmbH, **Att. Mrs. Dr. Freese**, Christianstrasse 160-164, 24536 Neumünster, Germany (possible also by e-mail: dr.freese@kilia.com).
